Message From Committee

Well the end of the 2006/07 Committee year has ended with a bang.....

RSSG **WON** the Tribal Challenge Quiz Night – and we thank the St David's Society for putting on a very special 'weakest link' – but hope they can beat us next time.

The Car Boot – was a small success – albeit the same weekend as Easter and everyone on holidays – but we'll be holding one again in the coming months.

Finally the St George's Ball – saw over 200 people have a great evening, whilst raising a fantastic **Dhs 16,000** for the **British Liver Trust**. We thank everyone for coming and hope you had a great evening.

So as we draw to a close – the AGM is our last 'What's Happening Next' and hope that you will join us for a bite to eat and drink – whilst putting your ideas / opinions / complaints to the committee and voting in the next one – see below.

Message From Chairperson

Dear Members,

Every year, volunteers put themselves, selfishly, forward to join the Committee and help organise the RSSG monthly events.

I personally would like to thank all of this year's committee for doing a fantastic job, despite losing their own jobs, getting new ones, moving house, losing family and friends and yet still meeting every month and taking time out to organise all the fantastic events we've had to help raise money for charity during 2006/07.

Sadly many of our committee are stepping down this year and all Committee positions are available for anyone wishing to take RSSG through 2007 to 2008.

If you are interested in joining the committee, then please do contact chairperson@rssgauh.com, stating which position you would like to be proposed for.

I hope that you can join us on the 9th May, where you can renew your membership, pick up your membership cards and get the 2007/08 Committee voted in.

Thank you for attending and supporting the 2006/07 RSSG functions.

Best regards,
Jay Crook
